

# Lowest Price Guarantee

**T&T Power Group will match any lower price for identical power generator sets offered by a competitor, that is valid at the time of purchase.**

To qualify for our lowest price guarantee, you must supply a copy of the competitor quote on a legal letterhead and the competitor's lower price must be published in Canadian dollars, including all fees, shipping costs, and all other relevant charges. Additionally, the generator must be sold and shipped by a retailer in Canada, and have the exact same brand name and model number for all major components including but not limited to Engine, Alternator, Fuel system, Voltage regulator, Cooling and exhaust system, Lubrication system, Battery charger, Control panel, Main/frame assembly.

T&T Power Group's lowest price guarantee applies only to our T&T Power Group branded line of commercial and industrial power generator sets, and excludes Kohler generator sets, Automatic Transfer Switches, and all other products.

## Requesting a price match:

To request a price match, email [ecommerce@tppowergroup.com](mailto:ecommerce@tppowergroup.com) or contact your T&T Sales Rep prior to placing your order.
