

T&T Power Group Extended Warranty

No one likes surprises when it comes to power generation. That's why we offer up to 10 years of extended coverage for all our commercial and industrial generators. With T&T Power Group equipment, you can rest easy knowing that whatever happens, we'll "Standby" our generators.

We will repair or replace* your T&T Power Group generator should any of the following occur:

- ▶ Electrical failures
- ▶ Mechanical breakdowns
- ▶ Catastrophic failures

What's not covered**

- ▶ Routine maintenance like adding fluids, changing filters, and testing.
- ▶ Consumables like lubricants, glycol, filters, and batteries.
- ▶ Damage resulting from environmental conditions like flooding, fire, and earthquakes.
- ▶ Consequential damage or losses resulting from the failure of the product.

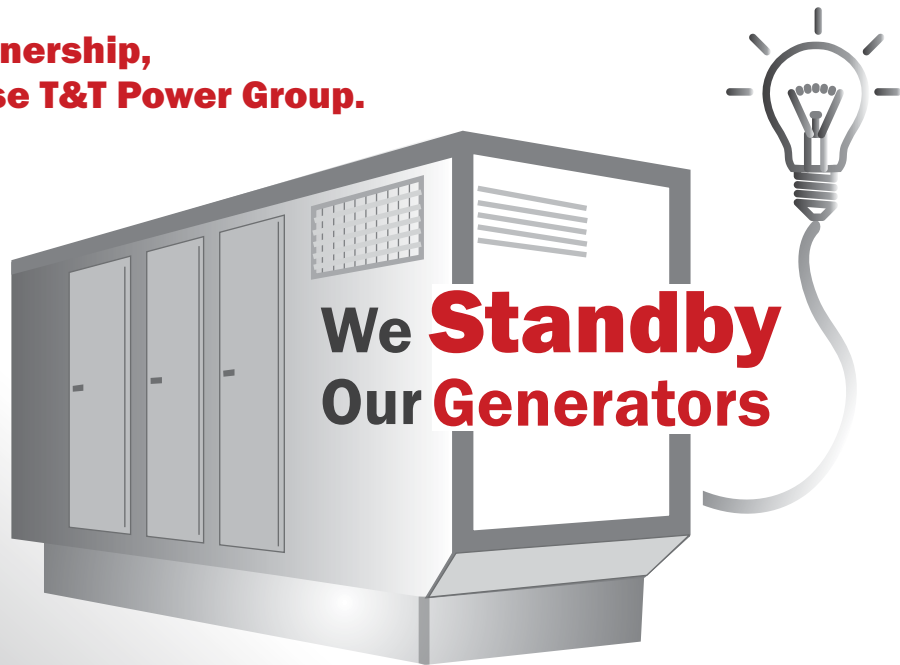

With 10 years of worry free ownership, it's never been easier to choose T&T Power Group.
