

Lowest Price Guarantee

T&T Power Group will beat any lower price for Danfoss Variable Frequency Drives offered by a competitor by 10%.

To qualify for our lowest price guarantee, you must supply a copy of the competitor's quote on legal letterhead. The competitor's lower price must be valid at the time of purchase, published in Canadian dollars, including all fees, shipping costs, and all other relevant charges. Additionally, the variable frequency drive must be sold and shipped by a retailer in Canada, and have the exact same brand name and model code.

T&T Power Group's lowest price guarantee applies only to our Danfoss Drives product line and excludes all other products.
